Your faith is a very precious gift. It is given to you by God.

We are given faith in order that we may communicate with the Lord.

Faith permits our prayers to be heard by God; it also permits us to listen to God's word.

It is a communication from the silence of our heart to the silent reaches of the Heart of God.

It is a conversation between the heart of Jesus and the heart of each one of us.

Are you listening, or is the word of God drowned in a cacophony of worldly distractions?

In order to hear God's word we must listen in silence.

When we are properly disposed to listen, then we can hear His voice within.

One of the Gospel imperatives tell us that: Many are called, but few are chosen.

We have been called and chosen by God to enter into a Holy communion of friendship.

Friends listen to one another. Let us listen to Jesus and believe our friend ...through faith.

Please say the prayer to St. Joseph,

asking for his intercession and help in making repairs to our Churches.

Kindly use your 'Contingency Fund' envelope on the 2nd and 4th Sunday of each month.

Ushers will take up the collection before the closing prayer.
