GENERAL ANNOUNCEMENTS

Pray this Summer with the Saints of Canada for the 150th Anniversary

Saint Kateri Tekakitha (1656-1680)

Saint Kateri Tekakwitha was born in 1656 in New York State. When she was four, her parents and younger brother died in a smallpox epidemic. From the epidemic, her vision was damaged, so people named her "Tekakwitha", meaning "she who gropes her way" or "she who bumps into things." Kateri always remembered her mother's faith, and joined the Catholic Church as a teenager. She was treated badly by her community for her faith, and eventually left her village to join a Catholic community in Canada. Kateri Tekakwitha is the first Native American to be canonized a saint. She is also known as the Lily of the Mohawks. She died in Canada at the age of 24 and was canonized in 2012. Her feast day is July 14.

We pray: Dear Saint Kateri, you were filled with faith, spending hours in prayer and making crosses out of twigs even though you were made fun of and received threats for your belief. Intercede for us, so that all Canadian citizens may be gentle witnesses of God's goodness in times of unfairness and see with eyes of faith God's love in all situations. Amen
